Here's to the crazy ones. The misfits. The rebels. The trouble-makers. The round heads in

the square holes. The ones who see things differently. They're not fond of rules. And they have no respect for the status-quo. You can quote them. Disagree with them. Glorify, or vilify them. But the only thing you can't do is ignore them. Because they change things. They push the human race forward. And while some may see them as the crazy ones, we see genius. Because the people who are crazy enough

to think they can change the world

Are the ones who do.

- Apple Computer

Love looks not with the eyes, but with the heart. Therefore, is winged cupid painted blind.

- Shakespeare, William

A sure way to lose happiness, I found, is to want it at the expense of everything else.
