Only two things are infinite, the universe and human stupidity, and I'm not sure about the former.

- Einstein, Albert

I do not know with what weapons World War 3 will be fought, but World War 4 will be fought with sticks and stones.

- Einstein, Albert

Out of the multitude of our sense experiences we take, mentally and arbitrarily, certain repeatedly occurring complexes of sense impression (partly in conjunction with sense impressions which are interpreted as signs for sense experiences of others), and we attribute to them a meaning the meaning of the bodily object.

- Einstein, Albert

I can't believe that God plays dice with the universe.

- Einstein, Albert

Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand.

- Einstein, Albert

The true sign of intelligence is not knowledge but imagination.

- Einstein, Albert

To know is nothing at all; to imagine is everything.

- Einstein, Albert

The world is a dangerous place to live; not because of the people who are evil, but because of the people who don't do anything about it.

- Einstein, Albert

It is a miracle that curiosity survives formal education.

- Einstein, Albert

A person who never made a mistake never tried anything new.

- Einstein, Albert

The unleashed power of the atom has changed everything save our modes of thinking and we thus drift toward unparalleled catastrophe.

- Einstein, Albert

If the facts don't fit the theory, change the facts.

- Einstein, Albert

The attempt to combine wisdom and power has only rarely been successful and then only for a short while.

- Einstein, Albert

Possessions, outward success, publicity, luxury -- to me these have always been contemptible. I assume that a simple and unassuming manner of life is best for everyone, best for both the body and the mind

- Einstein, Albert

Sometimes one pays most for the things one gets for nothing.

- Einstein, Albert

The formulation of a problem is often more essential than its solution, which may be merely a matter of mathematical or experimental skill.

- Einstein, Albert

If my theory of relativity is proven successful, Germany will claim me as a German and France will declare that I am a citizen of the world. Should my theory prove untrue, France will say that I am a German and Germany will declare that I am a Jew.

- Einstein, Albert

If we knew what we were doing it wouldn't be research.

- Einstein, Albert

A man should look for what is, and not for what he thinks should be.

- Einstein, Albert

Science without religion is lame, religion without science is blind.

- Einstein, Albert

Things should be made as simple as possible, but not any simpler.

- Einstein, Albert

I live in that solitude which is painful in youth, but delicious in the years of maturity.

- Einstein, Albert

If A equals success, then the formula is A equals X plus Y and Z, with X being work, Y play, and Z keeping your mouth shut.

- Einstein, Albert

Anyone who doesn't take truth seriously in small matters cannot be trusted in large ones either.

- Einstein, Albert

Try not to become a man of success but rather try to become a man of value.

- Einstein, Albert

An attempt at visualizing the Fourth Dimension: Take a point, stretch it into a line, curl it into a circle, twist it into a sphere, and punch through the sphere.

- Einstein, Albert

The important thing is not to stop questioning. Curiosity has its own reason for existing. One cannot help but be in awe when he contemplates the mysteries of eternity, of life, of the marvelous structure of reality. It is enough if one tries merely to comprehend a little of this mystery everyday. Never lose a holy curiosity.

- Einstein, Albert

Never lose a holy curiosity.

- Einstein, Albert

What lies behind you and what lies in front of you, pales in comparison to what lies inside of you.

- Emerson, Ralph Waldo

Men are born ignorant, not stupid; they are made stupid by education.

- Russell, Bertrand

Education is too important to be left solely to the educators.

- Keppel, Francis

A schoolteacher or professor cannot educate individuals, he educates only species.

- Lichtenberg, Georg C.

An education obtained with money is worse than no education at all

- Socrates

Education is the progressive realization of our ignorance.

- Einstein, Albert

Formal education will make you a living; self-education will make you a fortune.

- Rohn, Jim

Both class and race survive education, and neither should. What is education then? If it doesn't help a human being to recognize that humanity is humanity, what is it for? So you can make a bigger salary than other people?

- Richards, Beah

There is no need to education. It is not that you read a book, pass an examination, and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning.

- Krishnamurti, Jiddu

To me education is a leading out of what is already there in the pupil's soul. To Miss Mackay it is a putting in of something that is not there, and that is not what I call education, I call it intrusion.

- Spark, Muriel

Rewards and punishment is the lowest form of education.

- Chuang Tzu

Education is a progressive discovery of our ignorance.

- Durant, William J.

The secret in education lies in respecting the student.

- Emerson, Ralph Waldo

Only the educated are free.

- Epictetus

Education costs money, but then so does ignorance.

- Moser, Sir Claus

History is a race between education and catastrophe.
