Youth is the time to go flashing from one end of the world to the other to try the manners of different nations; to hear the chimes at midnight; to see the sunrise in town and country; to be converted at a revival; to circumnavigate the metaphysics, write halting verses, run a mile to see a fire, and wait all day long in the theatre to applaud Hernani.

- Stevenson, Robert Louis

Setting an exciting goal is like setting a needle in your compass. From then on, the compass knows only one point-its ideal. And it will faithfully guide you there through the darkest nights and fiercest storms.

- Unknown, Source

When we are motivated by goals that have deep meaning, by dreams that need completion, by pure love that needs expressing, then we truly live life.

- Anderson, Greg

First, have a definite, clear practical ideal; a goal, an objective. Second, have the necessary means to achieve your ends; wisdom, money, materials, and methods. Third, adjust all your means to that end.

- Aristotle

The person with a fixed goal, a clear picture of his desire, or an ideal always before him, causes it, through repetition, to be buried deeply in his subconscious mind and is thus enabled, thanks to its generative and sustaining power, to realize his goal in a minimum of time and with a minimum of physical effort. Just pursue the thought unceasingly. Step by step you will achieve realization, for all your faculties and powers become directed to that end.

- Bristol, Claude M.

Review your goals twice every day in order to be focused on achieving them.

- Brown, Les
