Pat Buchanan

Parents have a right to insist that godless evolution not be taught to their children.

- Buchanan, Patrick

Defeat has its lessons as well as victory.

- Buchanan, Patrick

If the sexual revolution has been a medical disaster, socially it has been a catastrophe.

Why do the media not report and explore the tragic results of the sexual revolution?

Because many are collaborators.

- Buchanan, Patrick

I think that in the minds of many, the press is being seen less and less as a neutral observer in the impeachment enterprise and more and more as participants, or even collaborators. [On Media's Participation In Watergate]

- Buchanan, Patrick

Just as there's garbage that pollutes the Potomac river, there is garbage polluting our culture. We need an Environmental Protection Agency to clean it up.

- Buchanan, Patrick

Anti-Catholicism is the anti-Semitism of the intellectual.
