Quotes by Cam, Helen M.

from QuotationsBook.com

As soon as you begin to say We have always done things this way -- perhaps that might be a better way, conscious law-making is beginning. As soon as you begin to say We do things this way -- they do things that way -- what is to be done about it? men are beginning to feel towards justice, that resides between the endless jar of right and wrong.

- Cam, Helen M.
