Quotes by Ice-T

from QuotationsBook.com

Tracy Morrow (born February 16, 1958 in Newark, New Jersey), better known as Ice-T or Ice T, is an American rapper, singer, and actor. He is one of the pioneers of gangsta rap and was also instrumental in creating rapcore.

The Constitution is a figment of your imagination, held up to make people believe they have rights. I don't believe anybody in this country has rights.

- Ice-T
