Quotes by Bailey, Henry Christopher

from QuotationsBook.com

Henry Christopher Bailey (1878 - 1961) was an English writer, author of detective fiction. Bailey wrote mainly short stories featuring a medically-qualified detective called Reggie Fortune. Fortune's mannerisms and speech put him into the same class as Lord Peter Wimsey but the stories occasionally explore the darker side, with topics like child abuse. There are several Fortune novels but these are less successful.

In order to be a realist you must believe in miracles.

- Bailey, Henry Christopher

Faith is a higher faculty than reason.
