Larry Kramer (born June 25, 1935), American dramatist, author and gay rights activist, was born in Bridgeport, Connecticut and was educated at Yale University (class of 1957). He lived in London 1961-70, where he co-produced and co-wrote the film *Here We Go Round the Mulberry Bush*.

We're all going to go crazy, living this epidemic every minute, while the rest of the world goes on out there, all around us, as if nothing is happening, going on with their own lives and not knowing what it's like, what we're going through. We're living through war, but where they're living it's peacetime, and we're all in the same country.
