# Quotes by Lagerfeld, Karl

from QuotationsBook.com

Only the minute and the future are interesting in fashion -- it exists to be destroyed. If everybody did everything with respect, you'd go nowhere.

- Lagerfeld, Karl

The reason American cars don't sell anymore is that they have forgotten how to design the American Dream. What does it matter if you buy a car today or six months from now, because cars are not beautiful. That's why the American auto industry is in trouble: no design, no desire.

- Lagerfeld, Karl
