Being nice to governments doesn't work, they are such lying bastards.

- Baluch, Joy

Life marches by, I suggest you get on with it.

- Baluch, Joy

I can be very polite, but I've found that doesn't always get a result. You have got to bang and thump tables.

- Baluch, Joy

God, Private Enterprise and government have made me what I am, and now they have to take some of the blame.
