Quotes by Minsky, Marvin

from QuotationsBook.com

Marvin Lee Minsky (born August 9, 1927), sometimes affectionately known as "Old Man Minsky", is an American scientist in the field of artificial intelligence (AI), co-founder of MIT's AI laboratory, and author of several texts on AI and philosophy.

Societies need rules that make no sense for individuals. For example, it makes no difference whether a single car drives on the left or on the right. But it makes all the difference when there are many cars!
