Eric Berne (May 10, 1910-July 15, 1970) was an American psychiatrist best known as the creator of Transactional analysis. He published both technical and mass market books on the subject.

The moment the little boy is concerned with which is a jay and which is a sparrow, he can no longer see the birds or hear them sing.

- Berne, Eric

Each person designs his own life, freedom gives him the power to carry out his own designs, and power gives the freedom to interfere with the designs of others.

- Berne, Eric

We are born princes and the civilizing process makes us frogs.
