from QuotationsBook.com

God is definitely out of the closet.

- Williamson, Marianne

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. We ask ourselves, who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you NOT to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We were born to make manifest the glory of God that is within us. It is not just in some of us, it is in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

- Williamson, Marianne

If I choose to bless another person, I will always end up feeling more blessed.

- Williamson, Marianne

When an idea reaches critical mass there is no stopping the shift its presence will induce.

- Williamson, Marianne

Joy, has no cost.

- Williamson, Marianne

Love is what we are born with. Fear is what we learn. The spiritual journey is the unlearning of fear and prejudices and the acceptance of love back in our hearts. Love is the essential reality and our purpose on earth. To be consciously aware of it, to experience love in ourselves and others, is the meaning of life. Meaning does not lie in things. Meaning lies in us.

- Williamson, Marianne

I fell in love with the thought that a human life could be a priestly conduit, a connecting link between earth and sky. As I grew and stumbled and, most important, as I began to love and be loved, I realized that the ultimate priest is the lover inside us

- Williamson, Marianne

Miracles occur naturally as expressions of love. The real miracle is the love that inspires them. In this sense everything that comes from love is a miracle.

- Williamson, Marianne

The secret of success is to realize that the crisis on our planet is much larger than just deciding what to do with your own life, and if the system under which we live the structure of western civilization begins to collapse because of our selfishness and greed, then it will make no difference whether you have \$1 million dollars when the crash comes or just

\$1.00. The only work that will ultimately bring any good to any of us is the work of contributing to the healing of the world.

- Williamson, Marianne
