Quotes by Blotnick, Sully

from QuotationsBook.com

The fact remains that the overwhelming majority of people who have become wealthy have become so thanks to work they found profoundly absorbing. The long term study of people who eventually become wealthy clearly reveals that their Luck arose from the accidental dedication they had to an area they enjoyed.

- Blotnick, Sully

Instead of rising rapidly in the beginning and flattening out later, the earnings curves of most those who eventually become millionaires was the reverse; their income increased slowly, if at all, for many years. And then after two to three decades, it suddenly went through the roof.

- Blotnick, Sully

The evidence unmistakably indicates that you have to spend money in order to make money.
