Quotes by Bow, Clara

from QuotationsBook.com

Clara Bow (born July 29, 1905; died September 27 [possibly September 26], 1965) was an American actress and sex symbol, best known for her film work in the 1920s and early 1930s. To some, Bow was the era's archetype of the flapper.

The more I see of men, the more I like dogs.

- Bow, Clara
