Go out into this exciting world, do your best to fight injustice wherever you find it,.....,  
and above all, have fun!

- Lady Carrick

Not a day went past when I was not filled with loathing and disgust at the decisions I had  
to make.

- Monash, John

Naturam rerum cognoscere primum. "First know the nature of things" or "Get your facts  
straight first".

- Socrates

Sidere mens eadum mutato. "The stars may be different, but the spirit is the same."

- Socrates
