It's nothing to be born ugly. Sensibly, the ugly woman comes to terms with her ugliness and exploits it as a grace of nature. To become ugly means the beginning of a calamity, self-willed most of the time.

- Colette, Sidonie Gabrielle

What an ugly beast the ape, and how like us.

- Cicero, Marcus T.

Disability is a matter of perception. If you can do just one thing well, you're needed by someone.

- Navratilova, Martina
