Quotes about Confusion

from QuotationsBook.com

I have never been lost, but I will admit to being confused for several weeks.

- Boone, Daniel

Confusion of goals and perfection of means seems, in my opinion, to characterize our age.

- Einstein, Albert

I'm not confused, I'm just well mixed.

- Frost, Robert

If confusion is the first step to knowledge, I must be a genius.

- Leissner, Larry

Confusion is a word we have invented for an order which is not yet understood.

- Miller, Henry

If you can't convince them; confuse them.

- Truman, Harry S

When people are taken out of their depths they lose their heads, no matter how charming a bluff they may put up.

- Unknown, Source
