Quotes about Frankness

from QuotationsBook.com

Frank and explicit--that is the right line to take when you wish to conceal your own mind and confuse the minds of others.

- Disraeli, Benjamin

We are franker towards others than towards ourselves.

- Nietzsche, Friedrich

People who talk much say nothing.

- Unknown, Source

The great consolation in life is to say what one thinks.

- Voltaire

All faults may be forgiven of him who has perfect candor.

- Whitman, Walt

All cruel people describe themselves as paragons of frankness.

- Williams, Tennessee

I always tell it like it is" is the long way of saying, "I'm a jerk.

- Lipsey, Michael
