Quotes about Frigidity

from QuotationsBook.com

Men always fall for frigid women because they put on the best show.

- Brice, Fanny

Show me a frigid women and, nine times out of ten, I'll show you a little man.

- Burchill, Julie

Frigidity is desire imagined by a woman who doesn't desire the man offering himself to her. It's the desire of a woman for a man who hasn't yet come to her, whom she doesn't yet know. She's faithful to this stranger even before she belongs to him. Frigidity is the non-desire for whatever is not him.

- Duras, Marguerite

Frigidity is largely nonsense. It is this generation's catchword, one only vaguely understood and constantly misused. Frigid women are few. There is a host of diffident and slow-ripening ones.

- Mcginley, Phyllis
