Quotes about Inertia

from QuotationsBook.com

Nothing happens, nobody comes, nobody goes, it's awful.

- Beckett, Samuel

All that is necessary to break the spell of inertia and frustration is this: Act as if it were impossible to fail. That is the talisman, the formula, the command of right-about-face which turns us from failure towards success.

- Brande, Dorothea

The great thing is the start -- to see an opportunity for service, and to start doing it, even though in the beginning you serve but a single customer -- and him for nothing.

- Collier, Robert

Once in motion, a pattern tends to stay in motion.

- Gallimore, J. G.

Lest he should wander irretrievably from the right path, he stands still.

- Hazlitt, William

Create a definite plan for carrying out your desire and begin at once, whether you ready or not, to put this plan into action.

- Hill, Napoleon

Every body continues in its state of rest, or of uniform motion in a right line, unless it is compelled to change that state by forces impressed upon it.

- Newton, Sir Isaac

Fix'd like a plan on his peculiar spot, to draw nutrition, propagate, and rot.

- Pope, Alexander

You must take the first step. The first steps will take some effort, maybe pain. But after that, everything that has to be done is real-life movement.

- Stein, Ben

The natural law of inertia: Matter will remain at rest or continue in uniform motion in the same straight line unless acted upon by some external force.

- Stone, W. Clement

That's why many fail -- because they don't get started -- they don't go. They don't overcome inertia. They don't begin.

- Stone, W. Clement

The first step is the hardest.

- Vichy-Chamrond, Marie De

Once you're moving you can keep moving.

- Weiss, Ronald Alan
