Quotes about Priorities

from QuotationsBook.com

Priority is a function of context.

- Covey, Stephen R.

The older I get the more wisdom I find in the ancient rule of taking first things first. A process which often reduces the most complex human problem to a manageable proportion.

- Eisenhower, Dwight D.

It is the mark of great people to treat trifles as trifles and important matters as important.

- Lessing, Doris

It is very sad for a man to make himself servant to a single thing; his manhood all taken out of him by the hydraulic pressure of excessive business.

- Parker, Theodore
