Quotes about Sanity

from QuotationsBook.com

Sanity is the lot of those who are most obtuse, for lucidity destroys one's equilibrium: it is unhealthy to honestly endure the labors of the mind which incessantly contradict what they have just established.

- Bataille, Georges

No man is sane who does not know how to be insane on proper occasions.

- Beecher, Henry Ward

What frightens us most in a madman is his sane conversation.

- France, Anatole

Show me a sane man and I will cure him for you.

- Jung, Carl

In a mad world, only the mad are sane.

- Kurosawa, Akira

What sane person could live in this world and not be crazy?

- LeGuin, Ursula K.

Sanity is a madness put to good uses; waking life is a dream controlled.

- Santayana, George

An asylum for the sane would be empty in America.

- Shaw, George Bernard
