Rock Hudson (November 17, 1925 October 2, 1985) was an American actor, famous for his rugged good looks. He was the first major American celebrity known to have died from AIDS (specifically, AIDS-related cancer of the lymph glands), and the announcement of his death from the disease at the age of 59 brought it wider public attention in the United States.

I'm notorious for giving a bad interview. I'm an actor and I can't help but feel I'm boring when I'm on as myself.
