Alfred Adler (February 7, 1870 May 28, 1937) was an Austrian medical doctor and psychologist, founder of the school of individual psychology.

Man know much more than he understands.

-Alfred Adler

The truth is often a terrible weapon of aggression. It is possible to lie, and even to murder, for the truth.

-Alfred Adler

There is a law that man should love his neighbor as himself. In a few hundred years it should be as natural to mankind as breathing or the upright gait; but if he does not learn it he must perish.

-Alfred Adler

It is the patriotic duty of every man to lie for his country.

-Alfred Adler

Man knows more than he understands.

-Alfred Adler

The test of one's behavior pattern; relationship to society, relationship to one's work, relationship to sex.
