Quotes by Betty Rollin

from QuotationsBook.com

Betty Rollin (b. January 3, 1936 in New York City), is a former NBC News correspondent who wrote about her struggle with cancer in her most famous book, *First, You Cry*.

Biological possibility and desire are not the same as biological need. Women have childbearing equipment. For them to choose not to use the equipment is no more blocking what is instinctive than it is for a man who, muscles or no, chooses not to be a weightlifter.
