Character on General Hospital

Oh my goodness. You're a regular calamity Jane, aren't you. Wow. Well, I'll give you this - you are a resilient little thing, but there's no way you're going to bounce back from this one Well, you rest in peace little one. I hope you're busing tables in hell.

-Faith Rosco

If you do this, you had better be sure it's what you want. Because if it isn't and you hurt me again, I will make you scream so loud the devil will cover his ears. And then I will kill you myself.
