Knowledge, a rude unprofitable mass, the mere materials with which wisdom builds, till smoothed and squared and fitted to its place, does but encumber whom it seems to enrich. Knowledge is proud that he has learned so much; wisdom is humble that he knows no more.

-William Cowper

There's a compelling reason to master information and news. Clearly there will be better job and financial opportunities. Other high stakes will be missed by people if they don't master and connect information.

-Everette Dennis

Not having the information you need when you need it leaves you wanting. Not knowing where to look for that information leaves you powerless. In a society where information is king, none of us can afford that.

-Lois Horowitz

The science of today is the technology of tomorrow.

-Edward Teller

Nevertheless, in order to imbue civilization with sound principles and enliven it with the

spirit of the gospel, it is not enough to be illumined with the gift of faith and enkindled with the desire of forwarding a good cause. For this end it is necessary to take an active part in the various organizations and influence them from within. And since our present age is one of outstanding scientific and technical progress and excellence, one will not be able to enter these organizations and work effectively from within unless he is scientifically competent, technically capable and skilled in the practice of his own profession.

-Pope John XXIII

I prefer tongue-tied knowledge to ignorant loquacity.

-Marcus T. Cicero

What is research, but a blind date with knowledge.

-William Henry

A love affair with knowledge will never end in heartbreak.

-Michael Garrett Marino

Some students drink at the fountain of knowledge. Others just gargle.

-Source Unknown

Knowledge comes, but wisdom lingers.

-Lord Alfred Tennyson

We are drowning in information and starving for knowledge.

-Rutherford D. Roger

Knowledge is a treasure, but practice is the key to it.

-Thomas Fuller

Today knowledge has power. It controls access to opportunity and advancement.

-Peter F. Drucker

Our knowledge is the amassed thought and experience of innumerable minds.

-Ralph Waldo Emerson

Today's progress was yesterday's plan.
